PROJECT OVERVIEW

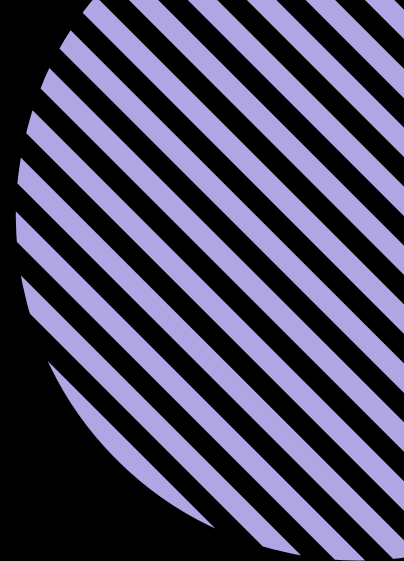

SHOP NAME :

RADIANT TRASURES

SHOP CONCEPTS

Specialization

Exquisite jewelry, precious metals, and rare gems

Collection

A curated selection reflecting elegance and beauty

Quality and Craftsmanship

Each piece is chosen for its quality and craftsmanship

Product Line

Offering statement pieces and timeless classics

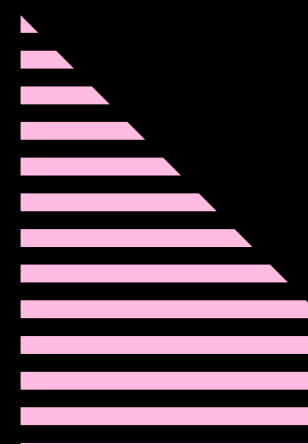

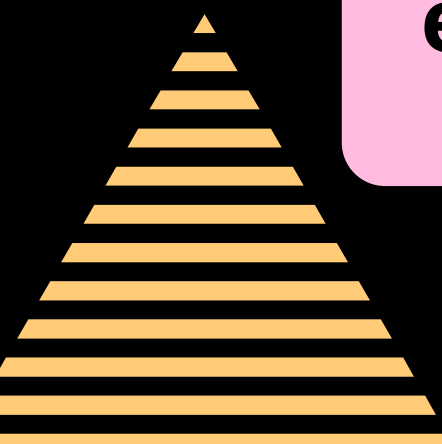

WEBSITE DESIGN CONCEPT

Objective:

The jewelry shop website is important for conveying elegance and luxury. The design aims to enhance the beauty of the products and provide an engaging experience for visitors.

Theme:

Create a sophisticated design with a visually pleasing layout. The color scheme and fonts will be chosen to match the atmosphere of the jewelry.

TECHNICAL IMPLEMENTATION

1

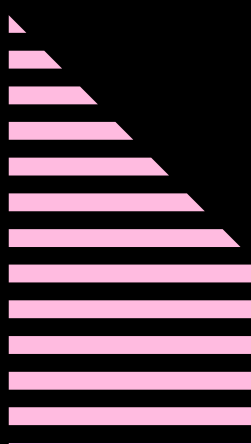

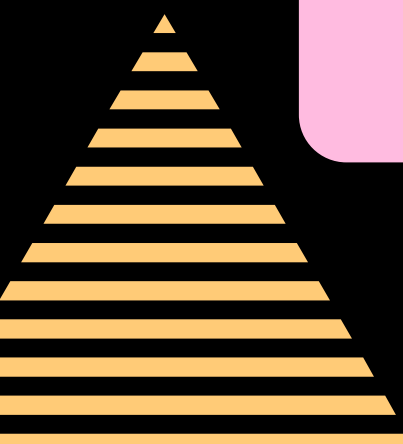

Shop Concept Video:

We have created and implemented an original video that clearly conveys our dedication and concept.

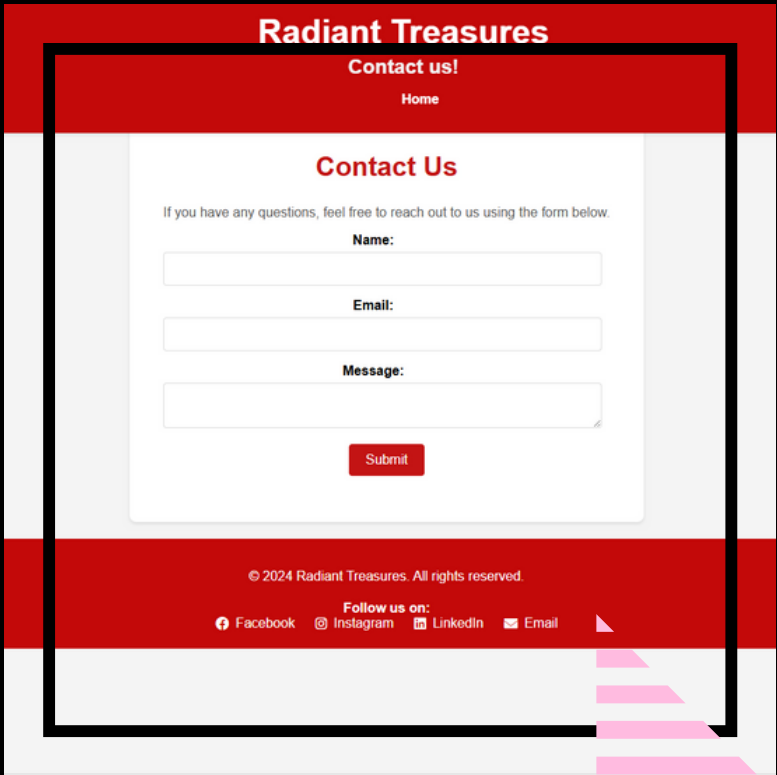

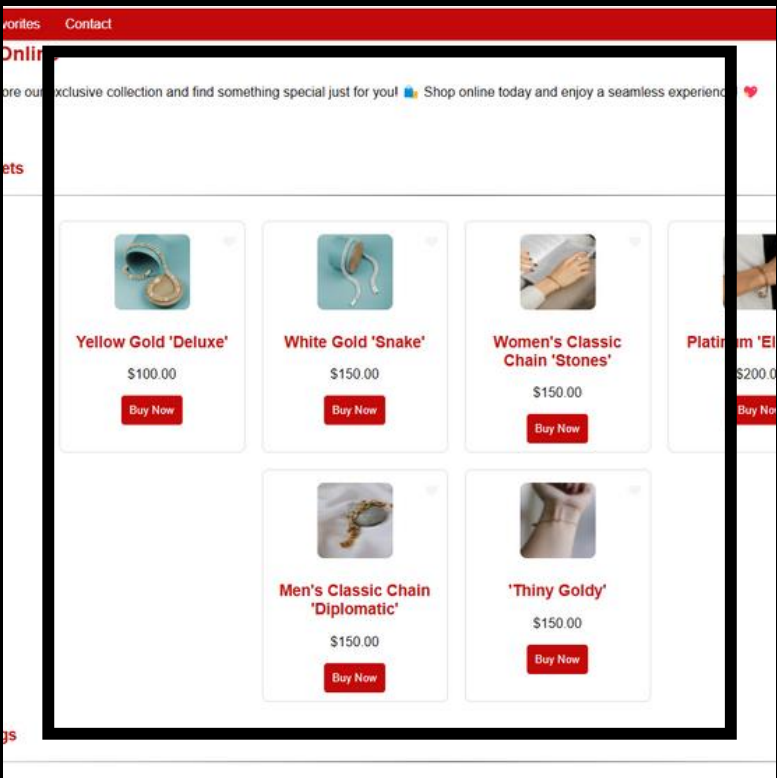

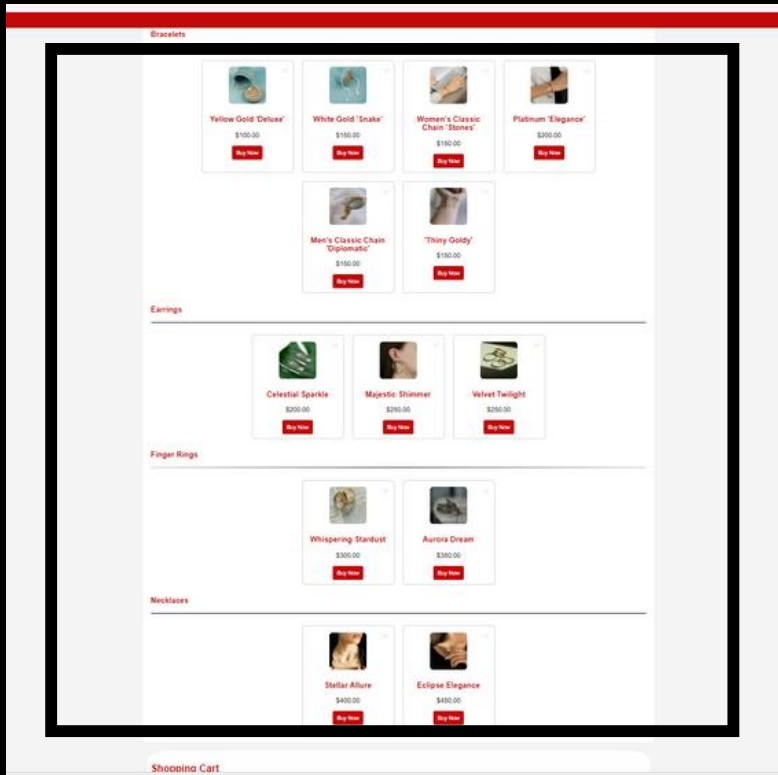

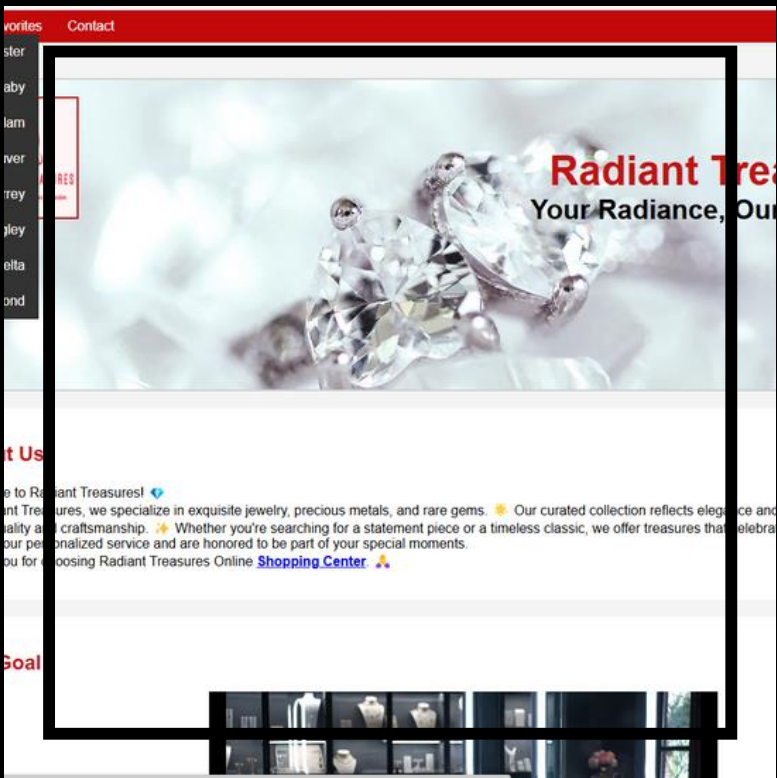

2

Cart Functionality:

We provide a feature that allows users to add selected products to their cart and proceed to the purchase process.

OUR ACTUAL WEBSITE
